Baroni Ciani Bassetti

Grappa di Raboso

CASTELLO DI RONCADE

Grappa di Raboso from Castello di Roncade is a distilled spirit made from Raboso grape pomace, which gives this product an intense and refined character. We love it for its aromatic notes of cherry, plum, and mulberry, harmonized with a light hint of almond. Its smooth structure and persistent finish make it perfect for enjoying after a meal, for a moment of authentic pleasure. This distillate embodies the traditions and history of Veneto.
